10. Defendants' Subject Domain Names and any other domain names used in connection with the sale of counterfeits bearing Chanel's trademarks are essential components of Defendants' counterfeiting and infringing activities. The Subject Domain Names themselves are one of the means by which Defendants further their counterfeiting scheme and cause harm to Chanel. Moreover, Defendants are using Chanel's famous name and trademarks to drive Internet consumer traffic to their websites operating under their domain names, thereby creating and increasing the value of their domain names at Chanel's expense.
